

Dundalk Senior High School

Class of 1962

www.dundalkhigh62.com

February 1, 2015

Dear Classmates,

We all celebrated a milestone birthday in 2014 and this year, 2015, marks our 15th annual Scholarship Fundraising Campaign. Over the years, you, our classmates, our friends, and former scholarship recipients have “stepped up to the plate” to contribute. By May 18, 2015, the date of this year’s Awards Ceremony, we expect to have awarded a total of \$84,000 in scholarships to Dundalk High School’s most promising graduates. We couldn’t have done it without you!

The Scholarship Fund needs you and your continued support. In case you were not aware, many of our former recipients have appreciated our help and have supported our fundraising efforts with a gift of their own. This is how the selection process works: a Dundalk High School Committee—made up of teachers, counselors and administrators—picks our recipient and be assured—each recipient has been a top student who could most benefit from our help. We collect the donations and make the gift. Last year 53 of our DHS classmates, friends and former recipients contributed \$7900!

Fifteen years ago this scholarship was an idea which turned into a vision, and became the best way that we could think of to support our young students and our old home town. This legacy of giving, the sense of pride that we all feel in their accomplishments and the promise of a good future affects all of us. Can you think of a better legacy for the Class of 1962?

Along with supporting the scholarship fund, we invite you to join us at the Awards Ceremony on Monday, May 18. If you haven’t seen the new school, you will be impressed! You might want to consider presenting the scholarship this year. Please think about it. Every presenter will tell you that it is a thrill. So please join us for the ceremony and our social time at Squire’s afterwards.

We so appreciate your past support and urge you to send your donation this week. Your donation can be whatever you feel you can afford. You know, it will be May 18 before we know it. We are depending on you to help us continue this proud tradition. No other Dundalk High School Class has done more to help its graduates and you are the key to a successful 2015 campaign!

Please send your check made out to “Class of 62 Scholarship Fund” to:
